Mr. John Stafford  
1448 East Olive Street  
Springfield, Missouri

Dear Mr. Stafford:

In regard to the drainage problem at 1448 East Olive, I would recommend that you obtain a new 12" pipe for your driveway. When the pipe is obtained, please call Louis Cox, Supervisor of Street Maintenance (East) and Mr. Cox will arrange for the new pipe to be installed.

In reference to the oil in the ditch, this will be reported to the Sanitary Services Division of Public Works for investigation.

Should you have any questions, please feel free to call me at 865-1611, Extension 165.

Very truly yours,

Jim Barber  
Superintendent of Streets
